Page 2 (Petition to Obtain A Filing Receipt And Application Serial Number
Under 37 C.F.R. § 1.53 - April 16, 1999)

As Ms. Curtin attests in her Declaration (Exhibit 1), Applicants have made repeated and sincere good-faith attempts over the past year to obtain a serial number for this application. Thus far, these attempts have been to no avail. The failure of the Patent office to assign a serial number to identify this application, pursuant to 37 C.F.R. § 1.53 has effectively hindered examination and prosecution of the application to the point of unfairly prejudicing Applicants' rights in their invention.

Accordingly, it is respectfully requested that this Petition be acted upon promptly and that the subject patent application be assigned a serial number and issued a filing receipt without further delay.

It is believed that no fee is due in connection with the filing of this Petition. In the event that any fee or fees are due, however, The Patent and Trademark Office is hereby authorized to charge Deposit Account No. 05-1135 for any such fee(s), or to credit any overpayment thereto.

A duplicate copy of this Petition but without attached Exhibit 1 is also submitted herewith.

If it would be helpful to expediting the processing of this Petition, the undersigned attorney may be contacted during normal business hours at (212) 583-0100.

Favorable action on this Petition is earnestly solicited.

Respectfully Submitted,

**PETITION TO REVIVE
AN UNINTENTIONALLY ABANDONED
APPLICATION UNDER 37 C.F.R. §1.137(b)**

Dear Sirs:

Applicants submit this Petition to the Commissioner under the provisions of 37 C.F.R. §1.137(b) to revive the above-identified application in which taking action was unintentionally delayed.

The above-identified application became unintentionally abandoned after July 9, 1997, which was the date that a response to the April 9, 1997 Office Action was originally due.

By virtue of two telephone conversations between Examiner Dianne Rees and the undersigned's legal assistant, Lisa Curtin, it is believed that a Notice of Abandonment was mailed on November 12, 1997, although the instant Assignee has no record of ever having received that paper. On January 7, 1997, Ms. Curtin was informed orally by the Patent Office that her previous request for a copy of the Notice of Abandonment was being processed and that a copy would be mailed out shortly. To date, however, no copy of the Notice of Abandonment has been received.

Under 37 C.F.R. §1.137(b) - February 3, 1998)

It is hereby requested that this application be revived because the delay in taking action was unintentional. This petition is being made within the one year of the date of abandonment pursuant to 37 C.F.R. § 1.137(b) and further, is within the three month period since the mailing of the Notice of Abandonment pursuant to the new December 1, 1997 rules.

Submitted concurrently herewith is a proposed response, attached as Exhibit A, in the form of a request for filing a Continuation Application Under 37 C.F.R. §1.60 together with a Preliminary Amendment. To conform to the April 9, 1997 Restriction Requirement, two divisional applications are also being concurrently filed herewith, those filings being attached as Exhibits B and C respectively. Filing fees for all three applications (one continuation and two divisionals) are authorized in their respective request forms.

Under rules effective October 1, 1997, the fee for filing a Petition To Revive an Unintentionally Abandoned Application Under 37 C.F.R. § 1.137(b) is \$660.00 for a small entity. Small entity status was previously established in this application and is still applicable. The Patent and Trademark Office is hereby authorized to charge Deposit Account No. 05-1135 for the requisite small entity fee of \$660.00 set forth in 37 C.F.R. §1.17(m). The Patent and Trademark Office is further authorized hereby to charge Deposit Account No. 05-1135 for any other fees required in connection with this Petition or to credit any overpayment thereto.

A duplicate copy of this Petition but without attached Exhibits A, B and C is also submitted herewith.

Favorable action on this Petition is earnestly solicited.

Respectfully submitted,
